

2024 2nd Annual Christkindl Market/Festival

As a resident of the city of Conneaut and pure love for the holiday season, I couldn't come up with a better way to bring the community together during the holiday season than to throw an outdoor Christmas market/festival! The Christkindl market is celebrated as a German holiday and now traveled its way to the US, picking up its largest location in Chicago, IL. I have attended this event for multiple years now in Chicago and thought it would be brilliant to spread this kind of joy and cheer to our town! The Christkindl Market is known for its vendors, high quality gifts and foods, holiday cheer and being the ideal place for families to create unique memories!

The Christkindl Market/Festival will be held on December 13th 5pm-9pm and 14th 3pm-8pm, 2024, at 744 Mill St. Conneaut, OH(Cabrini parking lot). I plan for this event to have vendors, marketers, food trucks, photo ops/booths, photos with Santa, sleigh rides, reindeer, a beer and wine tent(21&up) and an indoor kids craft area with indoor restrooms.

I, Amber Joslin and a wonderful committee, have been working on making and creating this event solely for my love for the community and wanting to provide a family experience for anyone who can come and enjoy this event. Costs do come into play when it comes to tent rentals, generators, tables and chairs, entertainment, beverages and snacks, souvenir mugs, and miscellaneous things(cups, plates, utensils, crafts for kids, decorations). Not only would I love for the community to help become a part of this event, but any contributions would be extremely appreciated.

I have obtained my own non-profit organization 501C3, please let me know if you need my ID number
